

# SHANK POWER PRODUCTS

Quality, Engineered Components

## Engine and Drivetrain

Axles Transfer cases Hybrid drives CVT drives  
Exhaust silencers, tubing and flex-pipes  
Emissions solutions Exhaust blankets  
CAC and air intake hoses  
Fuel and cooling hoses Hose clamps Air filtration  
Transmission controls  
Park brake controls and cables  
Radiators Fluid level indicators and fill tubes

## Electrical

Work, driving and interior lights  
Engine instrumentation CAN modules  
LCD displays Hand and foot throttle controls  
Horns and Relays, Rocker pedals  
Wire harnesses and cable assemblies  
Invertors and convertors  
Rotary, temperature and pressure sensors  
Switch panels Power distribution systems

## Cab and Chassis

HVAC systems, ducts and louvers  
Gas springs  
Control linkages  
Floor mats Seals and trim  
Custom molded urethane  
Vacuum formed plastics  
Rotationally molded plastics  
Machined castings and forgings

## Hydraulic

Custom cylinders  
Rotary actuators  
Custom manifold valves  
Control packages  
Motorized flow/pressure controls  
Valve controls and cables  
Oil coolers Power packs  
Fire hose and couplings

***We can provide custom solutions for your applications, contact us for details.***

Representing Component Suppliers to the O.E.M. Market Since 1955  
1540 Humboldt Ave., Suite 102, West St. Paul, MN 55118-3489
